## Girl's Athletic Association 1959-60

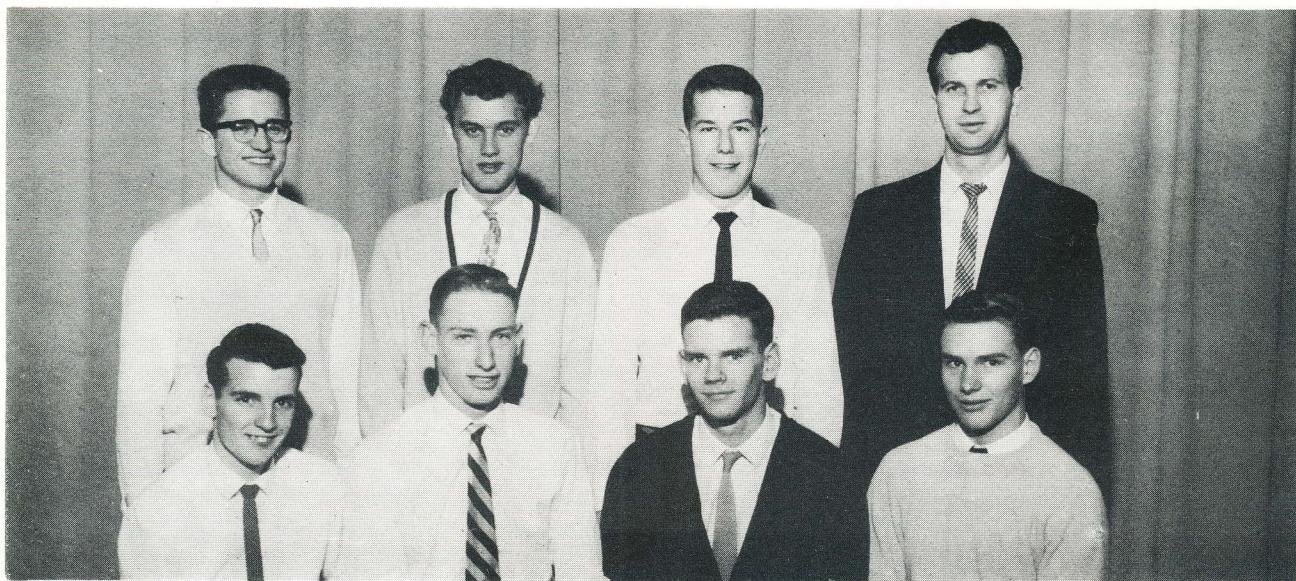

This year, the Girls' Athletic Association of our school is made up of sixteen representatives of all the classes from grade nine to grade twelve. The executive of our association was voted into office by the members: President -- Mary Riseborough; Vice President -- Marg Connon; Secretary -- Margie Rodger; Treasurer -- Nancy Reynolds.

The purpose of our association is to earn enough money to pay for the services of any officials for girls' sports in our school. At the end of the year, we present the girl athletes with bars and crests for their participation on school and intramural teams. This year our association has had two very successful candy sales. Also, we shared the proceeds from the Mid-Term Dance and the Student-Teacher Volleyball Game with the Boys' Athletic Association. This game, in which the Staff team defeated the students, was enjoyed by both participants and spectators. Our association has earned money also by charging admission to girls' basketball games. A good example of this was the game between the Old Pros and the Senior Girls' Team, where the balcony and the stage were filled with cheering spectators.

This year, the representatives are drawing up a constitution which will be the foundation for future associations. Still in the planning stage also, is a Girls' Athletic Letter. This award will be similar to the one which is given out by the Boys' Athletic Association. Our letter will be the first of its kind given to the girls of our school.

The Girls' Athletic Association meets each week, and carries out the business meetings in a formal manner. We are working on behalf of all the girls of our school, and are trying to create enthusiasm for the activities available to all students.

Mary Riseborough 12A

## Boys' Athletic Association

First Row: Larry Rumble; Delbert Marlatt, Treasurer; Tony Elliot, President; Jim Smith, Secretary. Second Row: Joe Speed; Bob Stewart; Jim Shillington; Mr. Kolotyliuk, Advisor.

## Boys' Athletic Association

The Boys' Athletic Association is one of the most active organizations in the school. The Association organizes the boys' intramural program as well as buying the crests for the Boys' Athletic Letter and paying referees' fees in basketball and volleyball. One of our most successful projects was the organization of the first annual Cinder Rally, held on our track, which will be an annual event.
